

Healthy Homes Partnership Meeting A Call to Action: Finding Common Ground in CT

Desired Outcomes:

1. To present the Connecticut Department of Public Health *Strategic Plan for Healthy Homes* and key accomplishments to date.
2. To identify existing resources, and activities conducted by key stakeholders, which support the goals and objectives outlined in the strategic plan.
3. To identify partners and initiate a Statewide Healthy Homes Workgroup that will collaborate on the enhancement of cross-disciplinary activities to achieve these common goals.
